A warm welcome to the Hotel Arlberghöhe and to St Christoph in Arlberg.

Unlimited skiing at lofty heights

At an altitude of 1,800m, ancient traditions and the sophistication of a modern winter resort go hand in hand. Right here, in the very heart of St Christoph, we welcome you! This is a world famous location with a first-rate reputation to boot. At the foot of the legendary Galzig mountain – situated directly adjacent to the slopes and against the spectacular backdrop of

the Tyrolean Alps – we are proud to be your VIP ticket for a top-of-the-range skiing experience. Amidst snow-covered slopes, just hop on the St Christoph cable car line or the Maiensee lift, both of them gateways to your very own skiing paradise with 86 cable car lines and lifts as well as 280 kilometres of breath-taking pistes. The truly amazing options range from well prepared pistes

to daring deep-snow challenges. At your return, you can take off your skis right outside our front door and enjoy some more brilliant sunshine from your private premier seat on our magnificent sun terrace offering spectacular views of the breathtaking winter panorama. **This exclusive spot with its very own ambience is reserved for hotel guests only!**

From slopes to table

Our delicious and generous breakfast buffet is an energy booster and a welcome kick-off for the day. At lunchtime you may choose from our well assorted à la carte menu on the sun terrace – located right next to the slopes. The après-ski snack is designed to replenish your energy levels before you conclude a wonderful day on the slopes with a perfect end of the day wind-down in our restaurant

‘Christoph Stube’, synonymous with genuine Tyrolean hospitality and oozing a warm, cosy atmosphere. Our hotel kitchen never fails to provide outstanding culinary treats – traditional Tyrolean dishes and international classics are bound to impress the most sophisticated palates. Austrian and international wines are selected personally by the host and round off the enjoyment.

Traditional home comforts

Our 21 rooms and suites, without exception offering spectacular vistas of the Arlberg mountains, are characterised by tasteful traditional furnishings and genuine alpine

charm. Make your room your home away from home and find your own space to recharge your energy for new winter sport adventures the next day.
